

NMS | FCM PLAN OF STUDIES 2017-2018

1 ST YEAR	
Curricular Unit	ECTS
1 st Semester	
Anatomy semestral	13
Basic Life Support semestral	0,5
Tissues, Cells and Molecules semestral	13
Introduction to Medicine semestral	3,5
2 nd Semester	
Nutrition and Metabolism semestral	11
Genetics semestral	4
Physiology semestral	12
Optional semestral	3
2 ND YEAR	
Curricular Unit	ECTS
1 st Semester	
Pathology semestral	10
General Pharmacology semestral	4
Pathophysiology and Therapeutic Targets I semestral	8
Principles of Neurosciences semestral	8
2 nd Semester	
Pathophysiology and Therapeutic Targets II semestral	8
Imagiology and Clinical Anatomy semestral	8
Introduction to Clinical Practice semestral	11
Optional semestral	3
3 RD YEAR	
Curricular Unit	ECTS
Infection: Etiology, Pathogenesis and Therapeutical Basis semestral	7
Immunology semestral	4
General Surgery semestral	15
Medicine and Society semestral	4
Public Health, Epidemiology and Biostatistics semestral	8
Internal Medicine semestral	15

Laboratorial Medicine semestral	4
Optional semestral	3
4th YEAR	
Curricular Unit	ECTS
Medical Psychology and Behavioural Medicine semestral	3
Obstetrics and Gynecology semestral	8
Surgical and Medical Specialties I semestral	15
The Patient with Infection semestral	4
Surgical and Medical Specialties II semestral	15
Introduction to Pediatrics and Adolescence Health semestral	8
The Elderly Patient semestral	4
Optional semestral	3
5th YEAR	
Curricular Unit	ECTS
Molecular Mechanisms of Disease semestral	3
Psychiatry semestral	8
General and Familiar Medicine semestral	8
Rational Prescription of Medication semestral	3
Pediatrics semestral	8
Surgical and Medical Specialties III semestral	24
The Patient with Cancer semestral	3
Optional semestral	3
6th YEAR	
Curricular Unit	ECTS
Surgery (internship) teaching by blocks	8
Obstetrics and Gynecology (internship) teaching by blocks	6
Medicine (internship) teaching by blocks	9
General and Familiar Medicine (internship)	6
Pediatrics (internship) teaching by blocks	7
Mental Health (internship) teaching by blocks	6
Preparation to the Clinical Practice (internship) semestral	3
Final Report (Not applicable to international students) semestral	12
Optional semestral	3
